## ABOUT US

"SHARADA ACADEMY" was started in 2008 with a goal to help students who aspire to take admission for Engineering in IIT/NIT/IIIT/VIT and admission for Medical in Government medical colleges & many others. We focus on providing teaching of the highest standards to the students to empower them to qualify IIT-JEE/NEET/MH-CET/CUET and various other competitive examinations with flying colours. Our genesis lies in exploring the hidden talents of the students and to provide personalized coaching for the best performance.

## OUR MISSION

- To provide an environment to improve the self-understanding and compete with the world with an excellent growth.
- To provide teaching facilities to fulfil and achieve demands in Engineering and Medical field.
- To introduce the concept of smart class for JEE / NEET for enhanced understanding and concept clarity.
- To nurture a friendly environment to make the students competent in their study.
- To promote the idea that there is no shortcut for success. Every subject will be enjoyable once studied with interest and clarity.
- To enhance students' soft skills (Communication skills in English, presentation...) to make the students excellent in academic career.

## OUR VISION

Putting the honest efforts with devotion and dedication to achieve the goals of the students and make them superior in values, scientific approach and technology.
